Dear Minister Dunlop,

**Re: Ontario College of Teachers 2023 Annual Report**

I am pleased to present you with the 2023 Annual Report of the Ontario College of Teachers, including a review of the College's activities and financial affairs pursuant to section 11 of the *Ontario College of Teachers Act, 1996*.

The 2023 report reflects a productive and transformative year working in the public interest as the proud regulator of Ontario's teaching profession. In it, you will find highlights of:

- the College's 2024-2028 strategic plan which builds upon the successes of our previous five-year plan;
- the professional advisory on additional qualifications: Extending Knowledge and Practice through Ongoing Professional Learning; and
- quicker certification and an improved client experience.

The report also provides a wealth of demographic and statistical information about teacher qualifications, origin of applications, and more.

An online version of the report, including detailed statistics dating back to the College's inception, is available at <https://oct.ca/about-the-college/annual-reports>.

If you have any questions or require further information, please don't hesitate to contact me directly at 437.880.3210 or at [llacroix@oct.ca](mailto:llacroix@oct.ca).

Sincerely,

Linda Lacroix, OCT/EAO
